Dear Class of 2006,

It is a great honor to be a high school principal, and I am especially proud to have had the opportunity to work with the Class of 2006. Your youth and enthusiasm are contagious, and I want to thank you all for the hard work and leadership you have displayed during your time at East Stroudsburg High School North. You have made this school a wonderful place to learn and grow, and you have lead the way in creating a school spirit that has made us all proud. You are truly a GREAT class.

I would like to take this opportunity to thank all of the students, faculty, community members, business leaders, and administrators who have worked so hard to make this evening possible for the Class of 2006. I would like to extend a very special thank you to Mr. Richard Bryant, Mountain Laurel Center CEO, for his enormous support of the North High School.

Students, I wish you much success as you move through to the next place in your life. I hope you have fond memories of our High School to carry with you and share with your family and friends. This is indeed a remarkable transition into your adult life. No matter what pathway you choose, strive to make the world a better place to live. Please accept my most sincere congratulations and best wishes for you, the Class of 2006.

Sincerely,

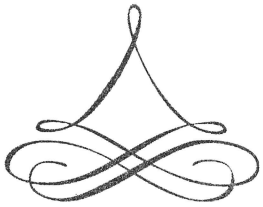
Alma Mater

Deep within the forest green
Nature's wonders hide.
Rays of sunlight can be seen
Reflecting our school pride.

Memories we hold fondly
Of years, here and gone.
Our future's bright horizon,
Our success is at its dawn.

Visions deep within our hearts
Make our spirits soar.
Oh, with you our honor starts
East Stroudsburg Area North.



Grand Marshals.....Beth Swineford – Senior Class Advisor, and Tom Leeds - Timberwolf

The Grand Marshals lead the academic procession that includes Candidates for Diplomas, Faculty Members, Platform Participants, the Superintendent of Schools, and the President of the School Board.

Honor Medallions

At today's commencement exercises, medallions affixed to gold ribbons distinguish the Valedictorian and Salutatorian graduates.

National Honor Society

The purpose of the National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools. To be eligible for membership, students must have a cumulative grade point average of at least 3.5. Additionally, potential members must meet high standards of leadership, service, and character. Leadership is based on the student's participation in two or more community or school activities, or election to an office. To meet the service requirement, the student must have been active in three or more service projects in the school and community. Character is measured in terms of integrity, behavior, ethics, and cooperation with students and faculty. Membership is an honor bestowed upon a student, and once selected, members have the responsibility to uphold the standards of the organization. At today's commencement exercises, gold cords distinguish the National Honor Society members.
